In the Spotlight

- It is with a heavy heart that we announce Darla’s resignation from Pioneer School. Darla is working on her master’s degree and needs to dedicate full time to her studies to meet the scholastic deadlines required by her scholarship. Betty will be taking over as the Pathfinders teacher and Leah will continue to be the teaching assistant. Tabatha will take on more of the administrative duties and increase her time in the office. We thank Darla for her 5 years of service and wish her luck in her future endeavors.
