

# Pioneer School Press

Weekly News: February 12 , 2015

- Want to pamper someone special this Valentine's Day? We have **\$10 Starbucks gift cards** available for purchase in the office.
- Need to get us a **time sensitive message?** Please send it via e-mail versus calling. We are able to monitor e-mails much more frequently than voice messages throughout the day.
- We are looking to borrow some **collapsible play tunnels** for our human body topic (intestines) and an **adult size white lab coat**. If you have one we could borrow, please put your name on it and bring it to the office.

## In the Spotlight

- **Hot lunch forms** came home this week and you may have noticed that we changed one of our restaurants. Quizno's in Liberty Lake went out of business so we had to switch to Subway. They are more expensive so we are offering a variety of sandwich choices. Only sign up for the hot lunch days that appeal to your child- you do not have to sign up for every Wednesday- just the weeks you want. Pioneer does not make any \$ from hot lunch- this is strictly a service we provide to students.
- **Save the Date- It's Not April Fool's Day- It's April Fun Day-** The Pioneer Carnival has been re-invented this year as a Family Spring Fling featuring not only carnival games but fun reading, math, and science activities as well. The family fun will start at 6:30PM. We are in need of parents to help us run the Book Walk, crafts, and carnival games. Please sign up in the office.
- **Sign-up sheets** are in the office for the next several learning expeditions. Please help us drive students out into the community to learn more about our human body topic.
- Want to get your kids excited about the upcoming bird topic? **The Great Backyard Bird Count** is February 13-16. Count the number of birds you see in a 15 min. period and enter your tally by species online at [gbbc.bircount.org](http://gbbc.bircount.org).
