Pioneer School Press

- **Thank you** to Karen Schuh for helping us secure a $150 grant from Avista to sponsor our Invent Washington registration this year. We love partnering with local businesses!

- Yesterday you should have received our new **Pioneer School Handbook**. We will be handing this out to new families as they enroll so we wanted you to have the first copies. Our plan is to update it annually with pertinent information. A digital copy will be available on our website and Facebook page as well.

- The Pathfinders and Explorers have been **collecting food** from the different food groups as part of their nutrition unit. They are taking the collected items to 2nd Harvest on March 23rd. <u>If you'd like to donate any non-perishable items to the cause, please drop them off in the Pathfinders' classroom (the portable) by the 23rd.</u>

- We know it's a long way off but we since it's a change from previous years, we wanted to remind you that the **last day of school** is a regular school day at Pioneer: Wednesday, June 10th- 3 PM dismissal. The end-of-year picnic is the Friday before on June 5th at Liberty Lake County Park and will include an optional camp-out. More info to follow.
