

Pioneer School Press

Weekly News: October 23, 2014

- Thank you to everyone who helped make the Fort Walla Walla trip a great Pioneer campout experience for all of our students. A wonderful time was had by all.
- October 31st is the last day to buy your **auction tickets**. You can get them in the office before and after school- \$35/ea.
- If your child participates in **Math is Cool**, please sign up to bring a healthy snack once during the year. The sign-up sheet is on the bulletin board in the office.
- The **Scholastic Book Fair** is November 3rd-7th upstairs in the Sullivan building.

In the Spotlight

- Pioneer will be participating in a community service project called **Operation Christmas Child**. Operation Christmas Child provides a shoebox full of gifts to a child in a third world country who may have never received a present before. Some children wait for years to receive this once in a lifetime gift. You can enrich the experience for both your child and the receiving child by completing the attached coloring page to start a pen pal relationship. The box can easily be filled with items from the Dollar Tree. For a list of suggested and banned items please visit- <http://www.samaritanspurse.org/operation-christmas-child/pack-a-shoe-box/#gift-suggestions>. **Boxes can be picked up in the office and must be returned by November 17th.**
- Have you completed your **Sky High waiver** yet? All students must have one on file in order to participate on 10/31. Sky High online waiver- <http://onlineorders.jumpskyhigh.com/waiverRedirect86b.php?i=1>
- **We need drivers for the following upcoming field trips.** Please sign up in the office.
 - **10/31- Sky High 1-3PM** dress in soft shorts and shirt, no belts, no buckles
 - **11/7- Cheney One Room School House Trip** dress as a Pioneer please- old fashioned outfits. This is one of many chances to wear that Pioneer costume! We take class photos on the steps for our journals.

Community Events

- 10/29, 4-5 PM @ Mobius: Legomania- 62 brick challenge- Did you know that if all the Legos in the world were divided up equally amongst all 6 billion people, we would each have only 62 Lego bricks? In this class, each Legomaniac will get a kit of 62 bricks to use and see what they can create. Of course, we will have some free build time with all of our Legos, too. For ages 4-10.
